Teaching Experience

PEER TUTOR | YORK UNIVERSITY | JANUARY 2018 TO MAY 2020

- Helped students taking science courses gain an enhanced understanding of the concepts and material presented in class.

Professional Experience

DENTAL ASSISTANT | THE DENTAL CLINIC | AUGUST 2021 – APRIL 2022

- I was responsible for maintaining dental instruments and equipment, assisting the principal and associate dentists during simple procedures, stocking supply and inventory, and sterilizing operatories and lab areas. I was required to continuously be detailed-oriented when sterilizing instruments to ensure proper maintenance of the tools and to manage my time efficiently to ensure that hygienists and dentists continuously have access to pre-made trays with sterilized equipment.

TENNIS INSTRUCTOR | KING CITY TENNIS CLUB | JULY 2021 - CURRENT

- I'm responsible for organizing basic and advanced lesson plans for children 7-11 years old.

TENNIS INSTRUCTOR | ROYAL CANADIAN YACHT CLUB | JUNE 2016 – AUGUST 2018

- As a tennis instructor, I was responsible for teaching children 7-14 years old basic and advanced tennis skills. At the beginning of every week, I divided the children appropriately based on both age and tennis skill level. I was accountable for being aware of any changes, allergies, and special medication. I worked cohesively with other instructors to develop a lesson plan with interactive games for an effective day of tennis.

Research Experience

ACADEMIC LITERATURE REVIEW | YORK UNIVERSITY | SPRING 2019 TERM

- Completed a literature review on "Ovarian Teratomas and their Response to NMDA Receptors" under the supervision of Dr. Georg Zoidl

Volunteer Experience

OUTREACH VOLUNTEER | SMILES FOUNDATION | MAY 2021 TO JANUARY 2023

- As a volunteer for the Smiles Foundation, I worked with a group of individuals involved with seeking new partnerships with dental clinics and dental supply manufacturers. Our goal was to create everlasting partnerships that would help contribute to enhancing activities, dental care, and primary health care education to children in the Dominican Republic.

VICE PRESIDENT OF THE CANADIAN CANCER SOCIETY OF YORK UNIVERSITY (CCSYU | YORK UNIVERSITY | SEPTEMBER 2019 TO MAY 2020

- Responsible for attending York Charity Council Meetings (SCLD) on behalf of CCSYU, maintaining and ensuring successful communication between Co-Presidents and other executive officers, as well as, upholding continuous secondary contact with external affiliations (Canadian Cancer Society)
