DENTAL COMMUNITY LEADERSHIP

School of Dentistry: Student Council

Vice President (2020-2021), Class President (2021-2022), Student Body President (2022-present)

Philadelphia, PA

2020-present

- Act as a direct liaison between students and faculty to bring awareness regarding concerns of the class and make suggestions in an effort to achieve positive change within the school
- Enhance the academic, professional, and social welfare of the student body by engaging daily with the Offices of Academic, Clinical, and Student Affairs
- Engage with course directors to provide feedback on current course curriculum and to improve didactic and clinical learning
- Serve as a primary resource to students and provide guidance to individuals whom are presented with specific concerns or face unique circumstances
- Host and lead monthly student council meetings jointly with the Dean
- Organize class social events to encourage a positive peer environment amongst the students
- Provide guidance and mentorship to other Class Presidents on how to resolve class-specific issues and problem-solve
- Represent the student body at luncheons, dinners, and social hours with highly regarded guests ranging from other dental school representatives to leaders within the dental support organization community
- Oversee members of the council to ensure that proper duties are followed as detailed in the student handbook
- Uphold and instill core values of the university and community while representing the school

School of Dentistry: Cluster 2B

Senior Cluster Representative

Philadelphia, PA

2022-present

- Assist the Cluster Director by being a liaison between the students and cluster leadership to improve communication and provide feedback
- Act as the main point of contact for the Front Desk Staff and Cluster Coordinator for questions, concerns, and messages to the students
- Relay cluster-related issues and concerns to cluster director and deputy director in an effort to improve the clinical learning environment
- Organize meetings with rising juniors to assist with their transition into the clinic, while offering advice and counsel
- Create opportunities for outside social gatherings to strengthen student, faculty, and staff interpersonal relationships

American Student Dental Association

Alumni Relations Chair

Philadelphia, PA

2020-2021

- Actively participate in quarter-annual Temple Kornberg Alumni meetings to provide alumni insight on the current student climate at the school
- Offer opportunities for professional growth and career development by hosting presentations by the Career Center
- Organize special presentations by Alumni to enhance student-alumnus engagement
- Assist the Director of Alumni Relations in alumni event planning as well as establishing student participation at events

School of Dentistry: Foreign Exchange Program

Host

Philadelphia, PA

2022-present

- Act as a Temple representative for exchange students visiting from two dental schools in Israel, Hadassah School of Dental Medicine and Al-Quds University
- Accompany exchange students throughout the as they shadow students and faculty members while learning about the Temple curriculum and day-to-day of students
- Escort exchange students around the city of Philadelphia to teach them about our community and culture
